

STAR Assessments™

Dashboard Reference Guide

Record information about data and information found on the Reading and Math Dashboards.

1. Where on the dashboard can you see if a student is meeting proficiency (achievement) expectations?
2. What are your expectations for proficiency (achievement)?
3. Are proficiency expectations the same for all students?
4. Where on the dashboard can you see if a student is meeting growth expectations?
5. What are your expectations for growth?
6. Are growth expectations the same for all students?
7. How can the predicted and projected growth trajectories be useful to you?

Growth and Achievement

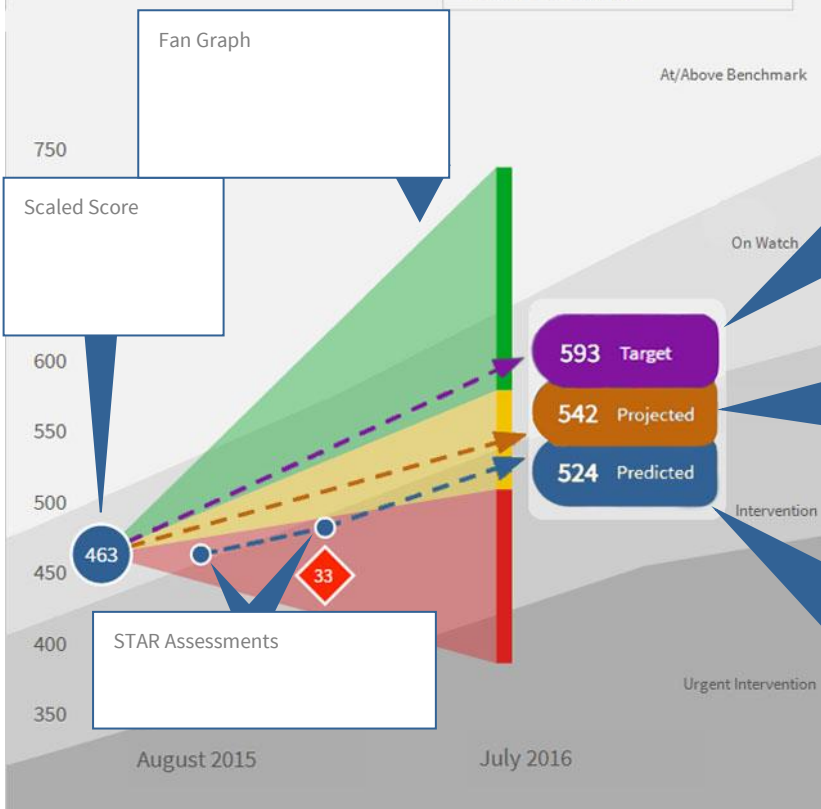

Cohort Comparison (median, by grade)

	Group	Class	School	District	National
Scaled Score Compare in chart above.
