Syracuse), Ann Netter (CNYRIC), Jane O'Brien (TST BOCES), Vicki Reutter (Cazenovia), Amy Spath (CNYRIC), Kathy Spitzer (N. Syracuse), Mary Tiedemann (OCM BOCES), Ira Tobak (DeRuyter)

HOW DO YOU RIDE A ROCKET AT 55 MPH?

The first mediaCONNECT meeting of the 2011-2012 school year presented an engaging full day workshop featuring Barry Britt, President of Soundzabound Music. The session provided pertinent information about using technology and digital media with safety and compliance. Mr. Britt delivered vital information with regard to copyright infringement and branding, safeguarding professional and personal reputations/careers, proper application of 'fair use' for students and teachers, and real-life consequences when moral ethics and legal regulations have been ignored or abused. Attendees left with knowledge and confidence for appropriately using digital resources in an educational environment and in their personal lives.

Participants were encouraged to visit the Soundzabound website for a multitude of digital citizenship resources and links: <http://www.soundzabound.com/links>

Following the Soundzabound presentation, information was provided about the resources available through the CNYRIC mediaCONNECT service.

Upcoming Meetings

December 1, 2011

February 9, 2012

April 5, 2012

For all Instructional Technology & Design services, go to <http://itd.cnyric.org/>

Any revisions or corrections to meeting minutes should be sent to Teresa Fragola (tfragola@cnyric.org)
